ANNUAL REPORT of the Attorney General.

ATTORNEY GENERAL'S OFFICE, }
Lansing, January 1, 1854. }

To His Excellency, ANDREW PARSONS, Governor of Michigan:

SIR—In obedience to the requirements of law, I submit herewith my report of the business of this office for the year one thousand eight hundred and fifty-three.

The case of the People, at the relation of one of my predecessors against the President, Directors and Company of the Macomb County Bank, was argued and submitted at the last January term. In this case, it will be seen by reference to my last annual report, that an appeal was taken to the Supreme Court, from the decree of the Judge of the Circuit Court of Wayne county, sitting as Chancellor. The decree of the latter Court, dismissing the bill filed in the case, was sustained, affirming in effect the validity of the charter.

In the month of February last, I filed an Information in the nature of a quo warranto, at the relation of D. Darwin Hughes, Esq., against Charles S. May, to enquire by what authority he assumed to exercise the office of Prosecuting Attorney of Calhoun. At the general election of the preceding November, the respondent received a majority of the votes for that office, but it was claimed that he was ineligible, not being, at the time of his election, an attorney at law. The case was

argued and submitted at the July term, but the court being equally divided in opinion, a re-argument was ordered.

In the case of the people against Henry I. Higgins, on an Information to enquire by what warrant he exercised the office of Judge of Probate of Genesee county, judgment of ouster was pronounced at the Kalamazoo term of the Supreme Court, and the relator, Warren Lake, Esq., declared to be entitled to the office. The proceeding was based upon various errors in the action of the board of canvassers, in the allowance and rejection of votes.

Prior to the last July term, I filed in the Supreme Court, Information against the Michigan Southern and the Erie & Kalamazoo Railroad Companies. The proceedings were commenced at the relation of Ira N. Grosvenor, acting as the agent and attorney of numerous citizens of Monroe, who felt themselves aggrieved, in consequence of the diversion of trade and travel from the city of Monroe to Toledo, by the way of the Erie & Kalamazoo Railroad. It was averred in the complaint of the relator, that the connection of the two roads at Adrian was unauthorized; that it changed practically the eastern terminus of the Michigan Southern Railroad; that the Michigan Southern Railroad Company had violated it in leasing for its use the road from Adrian to Toledo; and that the Erie & Kalamazoo Railroad Company had, by the terms of the lease, virtually surrendered its franchises.

The following cases, brought before the Supreme Court by writs of error, were argued and submitted at the January term, viz: Schoonover, vs. the people; Mills, vs. the people; and Showerman, vs. the people. In the two first named cases, the verdicts were set aside and new trials granted.

The schedule herewith annexed, marked "A," contains abstracts of the reports of the several Prosecuting Attorneys of this State, so far as they have been received at this office.

All which is respectfully submitted.

WILLIAM HALE,
Attorney General.
